

Hi! I'm Be-Ve Kid and I LOVE all animals - large and small! This means I never eat them. Instead, I snack on fruits, veggies, seeds, nuts and legumes. My mommy and daddy (and sometimes even me!) turn these tasty foods into yummy meals. My favorite is PIZZA - topped with veggies and eaten with my hands! I also LOVE spaghetti with tomato sauce.

I like to twirl it around and around on my fork! For breakfast, my mommy's potato pancakes with apple sauce are a dream come true. There are so many delicious and healthy meals made from plants. The Earth grows them especially for us!

Join me and be a Be-Ve Kid. We're kind to everyone - our tummies, the planet, and the animals we share it with!
